Ribbon Cutting Ceremony for New Training Facility

You are invited to attend the formal “Ribbon Cutting Ceremony” for our new facility

The Oswego Fire Protection District will be conducting a formal ribbon cutting & dedication ceremony at our new training facility at fire station #3 located at 2200 Galena Road Montgomery, Illinois 60538. Battalion Chief Raymond Hoff, who retired after 32 years of distinguished service from the Chicago Fire Department, is known for having translated his lifetime of experience on the fireground to practical, common sense instruction for all firefighters. It is for that reason we will be dedicating the new training facility in the memory of Chief Raymond Hoff. We will also be announcing our official partnership with Waubensee Community College. It is our goal to carry on that, “common sense instruction” for current and future firefighters.
