Oswego Fire Protection District *provides a ride to school in a fire engine*

(Oswego, IL) The Oswego Fire Protection District would like to let the community know that we gave Carley Guger a ride to school in a fire engine on 11/5/15. Carley is a student at Old Post Elementary School. Carley attend our annual open house and entered a raffle to win a ride to school in a fire truck. As luck would have it, Carley Guger was this years winner.

On 11/05/15 the Oswego Fire Protection District arrived at Carley's house with lights and sirens. Waiting for our arrival was Carley, Samantha Sinovich (Old Post Assistant Principal) along with family and friends. Crews took pictures and showed Carley the Engine. After a brief photo session, Carley and Mrs. Sinovich were given a ride around the neighborhood and delivered to Old Post School.

Carley's teacher, Mrs. Miles and her fellow classmates were waiting in the front of the school with banners and welcome signs. Engine-22 arrived with lights and sirens and delivered Carley to school. Mrs. Miles had her students waiving and screaming for Carley's arrival. Upon arrival Carley and her fellow students were given a tour of the engine and opportunities to talk to the Firefighters. A great time was had by all. Congratulations to Carley on winning the ride to school!

If there are any questions, please contact Capt. John Cornish at 630-554-2110.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
