Press Release

For Immediate Release
January 10, 2017

Structure Fire Circle Drive East Boulder Hill

(Oswego, IL) Around 9:00 PM the Oswego Fire Protection District was dispatched for the reported structure fire. Upon arrival crews found a one story wood frame single family residence with light smoke showing.

Crews confirmed all occupants were out of the residence and quickly extinguished a fire that was located in the bathroom.

The fire was contained to the bathroom but minor smoke damage was noted throughout the residence.

The cause of the fire was accidental in nature and caused approximately \$10,000 in damages.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
