## Press Release

For Immediate Release  
April 21, 2017

### Structure Fire 2600 Block of Woolley Road

**(Oswego, IL)** At approximately 4:10 AM, Kencom Public Safety Dispatch received a 911 call reporting a structure fire in the 2600 block of Woolley Road. The Oswego Fire Protection District was dispatched with a General Alarm assignment. The initial fire companies were on the scene within 5 minutes of the 911 call being received.

Upon arrival of the initial fire companies, they found smoke coming from the second floor of the residence. Upon further investigation, the fire was found on the outside wall between floors 1 and 2. The fire was quickly extinguished. Extensive overhaul was completed to ensure there wasn't any fire extension to the attic.

All occupants were out of the building upon arrival of the initial companies. No injuries were reported.

*The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.*
