August 9, 2017

Structure Fire *West Side of Oswego*

(Oswego, IL) At approximately 7:10 PM, KENCOM Public Safety Dispatch Center received a 911 call reporting a structure fire in the 300 block of Bucktail Dr. Upon arrival, the initial fire companies encountered heavy fire in an attached garage of a two story, single family residence.

Fire companies initiated an aggressive attack and searches were performed. The residence was found to be unoccupied. The fire was brought under control in approximately 25 minutes. No injuries were reported.

The fire is currently under investigation, however, does not appear to be suspicious in nature.

Bristol – Kendall Fire Protection District assisted at the scene with an Engine Company, and Montgomery and Countryside Fire Protection District provided an Engine Company to fill in Oswego Station 2.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
