Toys For Tots Collection *Oswego Fire Protection District*

(Oswego, IL) The Oswego Fire Protection District would like to announce that we will once again be collecting toys for this years Toys For Tots program. Every year the Oswego Fire Protection District, Oswego School District 308 Jr High Schools, United States Marine Corps and the Oswego Optimist Club team up to collect toys for families in need during the holiday season. The Fire District, the Jr. High's and Marine Corps collect the toys and The Oswego Optimist Club distributes the toys just before Christmas. Anyone wishing to participate and help out our local families in need may drop off a new unwrapped toy at any of the Oswego Fire Stations.

More importantly, we would like to make everyone aware that if you are a family in need or you know a family in need, please contact us at 630-554-2110. We will help you and your family have a happy holiday season this year. You may also go to the Oswego Optimist Club website directly at <http://www.oswegooptimists.com/> and make contact with them requesting assistance for the holidays.

Last year we collected over 7,000 toys that were distributed in the Kendall County area. In addition we collected 100 new bicycles with our bicycle drive that were also distributed.

If you have any questions, please contact Assistant Chief John Cornish at 630-554-2110.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
