

Firefighting Tactics At Apartment and Townhouse Fires

INSTRUCTOR

John Norman

Chief Norman is a veteran of over 40 years in the fire service, until his retirement in 2007, he served as Deputy Assistant Chief, Special Operations Command (SOC) for the New York City Fire Department. John served as the Search and Rescue Manager for the World Trade Center attack, and held a key role in rebuilding the department in the following years.

He has instructed at many venues over his career such as the Counter Terrorism Training Program conducted jointly by the FDNY and the United States Military.

April 5th, 2018

9 AM - 5 PM

Oswego FPD, 3511 Wooley Rd

Oswego, Illinois 60543

This session focuses on the more common fire in many American communities: Fire in garden apartments and townhouses. This session will educate you on the 13 point approach, and conduct the firefighter survival survey. It will address the death and injury rates in P.D.s. , as well as construction deficiencies. Emphasis is placed on developing workable tactics that your organization can implement on the fire ground under a variety of conditions.

**Investment: \$125 prior to March 4th
\$175 after**
