Oswego Fire Dept. Hosting 2nd Annual Lock-In An Overnight at the Fire Station

(Oswego, IL) The Oswego Fire Protection District will be hosting its second annual Lock-In. This first of its kind event was a huge success last year. The Lock-In gives kids the opportunity to stay overnight at the fire station. The participants will have a night filled with activities, food and a movie. Best of all they will get to respond (front parking lot) when the alarm sounds for calls. .

The Oswego Fire Dept. Lock-In is dedicated to exposing school-aged children to life at the fire station. This event is designed to be fun, entertaining, and educational, while also providing them with knowledge of the fire service.

All the proceeds from this Lock-In will be going to the burn camp, "Camp I Am Me", making for a wonderful opportunity to engage with the kids in our community and raise money for a great organization.

If you would like more information about the Lock-In, please visit our website at www.oswegofire.com or contact Lt. Kearns at 630-383-0523

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
