Toys for Tots Toy Drive Kicks Off Oswego Fire Dept. Annual Toy Collection

(Oswego, IL) It's that time of the season, and the Oswego Fire Protection District is in the gift-giving spirit by co-sponsoring a popular holiday program that gives brand new toys to children in need. Starting November 21st until December 13th, the Oswego Fire Department will be accepting donations of new unwrapped toys for the Marine Corps Toys for Tots Program.

Every year the Oswego Fire Protection District, Oswego School District 308 Jr High Schools, United States Marine Corps and new this year, the Oswego Kiwanis Club team up to collect and distribute toys for families in need during the holiday season. Anyone wishing to participate and help our local families in need may drop off a new unwrapped toy at any of the four Oswego Fire Stations.

More importantly, we would like to make everyone aware that if you are a family in need or you know a family in need, please contact the Oswego Kiwanis Club directly at oswegokiwanis@gmail.com and make contact with them requesting assistance for the holidays.

If you have any questions, please contact Lieutenant Kris Kearns at 630-383-0575

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
