Oswego Fire Protection District *Not participating in birthday/celebration parades*

(Oswego, IL) The Oswego Fire Protection District will no longer be participating in birthday or celebrity parades starting on June 1, 2020.

During the Covid-19 Pandemic the OFPD, like many other agencies, began participating in drive by parades for many positive reasons in support of the community.

As the District moves into a new phase since the Pandemic began, we are slowly returning to normal operations.

The OFPD can be contacted via our website for other requests and those will be handled on a case by case basis.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
