November 3, 2020

2020 Toys for Tots Kickoff Drive *Oswego Fire Protection District*

(Oswego, IL) *The Oswego Fire Protection District (OFPD) is once again kicking off the Toys for Tots program this year. The OFPD has been working side by side with Oswego School District 308, the Marine Corps Reserves and many community organizations/businesses to provide toys for LOCAL families in need. This year the Drive begins on November 3rd and ends on December 16th.*

To date we have collected over 51,000 toys for local Kendall county families during the holiday season. This year will be the most challenging yet. As we all know 2020 has been taxing on all the members of our communities. We anticipate a greater need this year than we have ever experienced. We are asking members/organizations/businesses from our community to assist us in making a child smile this year on Christmas morning.

We have been very successful over the years working with students from District 308 with the collection of toys. We have had to adjust the program this year due to Covid and will be successful with can do attitude of our partners and the support of the United States Marine Corps.

Toys can be dropped off at any of the Oswego Fire Stations. In addition, numerous Toys for Tots drop boxes have been located throughout the Oswegoland area as collections sites. For up to date details you can visit Facebook @OswegoFireProtectionDistrict or www.oswegofire.com. With your help we can all unite and get behind this great cause. Help us put a smile on a child's face and end 2020 on a high note!!

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
