For Immediate Release
June 16, 2021

Vehicle Donations for Training *Oswego Fire Protection District*

(Oswego, IL) The Oswego Fire Protection District is seeking vehicle donations for training purposes. These vehicles will provide members essential hands-on training. This includes vehicle stabilization, extrication, EMS, and even fire investigation training. In addition, they provide the opportunity to perform live demonstrations for events such as the Open House, Oswego Junior Public Safety Academy, and Operation Prom.

The vehicles can be any car, pickup truck, van or SUV that has a clear title in the donator's name. They do not have to run, but preferably able to roll. Oswego Fire is able to arrange transportation for any vehicles in the Fire District or immediate surrounding communities. All vehicles will receive a donation letter from the Fire Protection District.

For all inquiries or to schedule a donation, please contact Lt. Jason Sipes at (630) 554-2110 or training@oswegofire.com

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
