Toys for Tots Toy Drive Oswego Fire Kicks off 14th Annual Toy Drive

(Oswego, IL) It's that time of the season, and the Oswego Fire Protection District is in the gift-giving spirit. This year marks the 14th year of the OFPD working side-by-side with Oswego School District 308, the Marine Corps Reserves, and many community organizations/businesses to provide toys for LOCAL families in need.

Starting November 1st until December 10th, the Oswego Fire Department will be accepting donations of new unwrapped toys for the Marine Corps Toys for Tots Program. Toys can be dropped off at any of the Oswego Fire Stations. In addition, numerous Toys for Tots drop boxes have been located throughout the Oswego area as collections sites. For up-to-date details you can visit Facebook @OswegoFireProtectionDistrict or www.oswegofire.com.

To date, we have collected over 58,000 toys for local Kendall County families during the holiday seasons. We are asking members/organizations/businesses from our community to assist us once again in making a child smile this year on Christmas morning.

More importantly, we would like to make everyone aware that if you are a family in need or know a family in need, a toy request form can be found at www.oswegofire.com

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
