## Press Release

For Immediate Release  
January 5, 2022

### **Toys for Tots Brings Much Happiness *Oswego Fire Heart-Felt Thank You***

**(Oswego, IL)** The Oswego Fire Protection District appreciates the generosity and support from the community. "Thank You" to Hugh Boeset of Midas for the donation of \$1500. We would especially like to recognize our local Meijer store- the store donated \$5,000 to the program this year. Thank you to everyone who helped us put everything together, collected applications, delivered, and put out boxes, and sorted and organized all the toys. Thank you to our secret shoppers. Thank you to those families and businesses for the donations to help spread some Christmas joy to the families in our community.

This couldn't be done without the many businesses in the community who opened their doors to be "toy collection locations" and the partnership we have with School District 308 Jr. High Schools.

This year's event collected 5,538 toys. With the help of our community, we were able to bless 1,723 children with toys. All the toys were distributed with the help of agencies throughout Kendall County.

This year's event was capped off with a pizza party for each of the five Oswego Jr. High Schools.

Photos available upon request.

*The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.*
