Garage Fire 400 Block of Grapevine Trail

(Oswego, IL) The Oswego Fire Protection District was requested for the reported structure fire at approximately 1916. The first arriving fire companies were on scene in approximately 4.5 minutes after dispatch, and quickly extinguished a car fire inside of the garage extending into the home.

Damage was primarily contained to the vehicle of origin and the garage area of the home. The home remains habitable. The cause of the fire is under investigation, and no dollar loss amount is immediately available.

All occupants were able to evacuate the home prior to arrival. One patient was transported to Rush Copley with non-life-threatening injuries. No injuries were reported to fire personnel.

The Oswego Fire Protection District was assisted on scene by Aurora Fire Department and Plainfield Fire Protection District. Additional station coverage was provided by Montgomery, Sugar Grove, and Plainfield Fire Protection Districts.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
