Structure Fire Boulder Hill

(Oswego Township, IL) At approx. 12:30 hours the Oswego Fire Protection District was dispatched for the Structure Fire in the 0-100 block of Marnel Road. Upon arrival units found a small fire in the living space of the split-level home. Fire was contained to the area of origin and was rapidly brought under control. The home was searched, and several smaller fires were located and extinguished. All fires were brought under control in under 15 minutes.

No injuries were reported as the home was vacant upon crews' arrival. The cause of the fire is still under investigation and the scene was turned over to Kendall County Sheriff's Office.

The Oswego Fire Protection District was provided station coverage by the Montgomery, Sugar Grove, and Plainfield Fire Protection Districts.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
