STRUCTURE FIRE OSWEGO, IL

(Oswego, IL) At approximately 7:26 PM, Oswego Fire Protection District Firefighters were dispatched to the area of Fifth St. and Kensington Dr. for a reported house on fire in the area. While enroute, dispatch advised the incident location was in the 300 block of Kensington Dr.

Upon arrival of the first fire company, they found heavy fire in the rear of the residence. They initiated an aggressive fire attack and made a quick search to verify everyone was out of the residence. It appeared the fire started on the back deck and extended into the attic space of the residence. The fire was brought under control within 15 minutes. The fire is currently under investigation however, the cause does not appear to be suspicious in nature. No damage estimates are available at this time.

No reported injuries to Firefighters or civilians.

Oswego Firefighters were assisted on the scene by, The City of Aurora Fire Department, and the Plainfield Fire Protection District. Station coverage was provided by Montgomery, Plainfield, and Sugar Grove Fire Departments.

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
