Press Release

**For Immediate Release
November 26, 2025**

Commercial Structure Fire *South Adams Street, Oswego*

Structure Fire – 5400 Block of Light Road, Oswego, Illinois

At approximately 4:07am on November 26th, the Oswego Fire Protection District was dispatched to the **5400 block of Light Road** after a train crew traveling through the area notified **KenCom Dispatch** of what appeared to be a building fire.

Upon arrival, firefighters encountered **heavy fire conditions** involving a structure and multiple vehicles on the property. Due to the extent of the fire and the size of the involved area, additional resources were requested to assist with suppression efforts.

Assistance at the scene was provided by the **Aurora Fire Department, Bristol Kendall Fire Protection District, Montgomery Fire Department, and Plainfield Fire Protection District**. Station coverage during the incident was provided by the **Bolingbrook Fire Department** and **Sugar Grove Fire Department**, ensuring continued emergency response capability for the community.

Crews worked for an extended period to bring the fire under control and to fully extinguish hot spots. The structure, along with numerous vehicles located on the property, is considered a **total loss**.

No injuries to civilians or firefighters have been reported.

The **cause of the fire remains under investigation** by the Oswego Fire Protection District

The Oswego Fire Protection District was formed by voter referendum in March of 1936, covers over 60 square miles in the northeast portion of Kendall County and about 1.5 square miles of northwest unincorporated Will County.
